Kacie Crowson has resigned from Tri County.

The Board approved:

- waiver for teacher appraisal system as it relates to student growth,
- TASB Local Policy 107 and
- acceptance of bid for property off CR 4410.

Superintendent Charlie Alderman explained how the drop in enrollment of 63 students from this time last year had placed this year's budget in the red. Finance Director John Walker said the district was projected to be \$226,000 short because of a decreased ADA and reduced tax collections. He explained that lower fuel prices, leftover funds from equipment repair and replacement and increased dual credit enrollment could offset the loss.

Superintendent Charlie Alderman presented Lisa Young a framed portrait honoring her as CES Teacher of the Year.

Regional powerlifting qualifier Tahae Henry and Brayden Lopez, state powerlifting qualifier, were recognized but were unable to attend the meeting.
